JAMAICA
NICE.

A young man with short dark hair is seated at a black Yamaha grand piano, viewed from the side. He is wearing a black long-sleeved shirt with "JAMAICA NICE" printed on the back. His hands are on the keys. The piano is open, and the brand name "YAMAHA" is visible on the fallboard. In the background, another person wearing a black jacket and glasses is standing, partially obscured. The setting appears to be a music room or rehearsal space with a wooden door in the background.

Jamaica Nice.
Made in Jamaica.

Jamaica Nice. is more than a name - it's our mission. We donate a portion of every sale to youth music education in Jamaica. With the support of our customers and retailers, we've sponsored scholarships and the Alpha Community Band at the Alpha School of Music in Kingston, overseas music exchanges for students and educators as well as local residencies for international music professionals.
